

# 2026 IEEE 9th International Conference on PATTERN RECOGNITION AND ARTIFICIAL INTELLIGENCE

## SPECIAL SESSION 02

### Intelligent Data Analysis and Cyber Security

9<sup>th</sup> 2026  
PRAI

August 14-16, 2026

Shanghai, China

The increasing severity of cyber attacks has made cyberspace security an important research area, and mining critical information from various types of cybersecurity data has attracted increasing attention. Effective analysis of security data using advanced artificial intelligence and big data analysis techniques can provide a more powerful and intelligent way to defend against cybersecurity risks.

#### Related Topics

*Topics of interest include, but are not limited to:*

- Cybersecurity Data Analysis and Mining
- Security and privacy of big data
- Information extraction and text mining for threat intelligence
- Natural Language Processing
- Mobile Big Data Computing for Cybersecurity
- .....

#### Publication

Accepted papers will be published in PRAI 2026 Conference Proceedings, and submitted for inclusion into IEEE Xplore and indexed by EI Compendex & Scopus.

#### Important Date

Final Submission Deadline	July 05, 2026
Final Notification Date	July 20, 2026
Final Registration Deadline	July 25, 2026

\* The review period for submissions is typically one month.

**SESSION CHAIR**

**Binhui Tang**

Hainan Normal University, China

Email: 565081821@qq.com

#### Submission Way

**Submit Online:**

<https://www.easychair.org/conferences/?conf=prai2026>  
(Please choose Special Session 2)

**Paper Templates:**

Latex:
